*Big thanks to the site owner Ginny for always making us so welcome!*

---

Woo hoo! What's not to love about drumming! A chilled couple of nights in the beautiful setting of Mendip Camp, with a group of fellow rhythm makers.

This group booking at Mendip Camp is open to anyone and everyone who drums with me, and of course your family are welcome to come too.

There will be drumming sessions in the morning, afternoons and evenings - lots of fun jammin', plus reminders for favourite beats that you would like to play, and whatever else comes along in the moment! No pressure, and no charge (other than that made by the campsite itself of course) - just an opportunity to enjoy the camping experience, plenty of outdoor time, in good company, with lots of drumming!

You will need your own accommodation (tent/campervan/caravan/etc), food etc, and your **own instrument(s)**, plus a suitable **seat** for drumming. Also your own food, camping kit and supplies etc.

Campsite facilities are basic but adequate: two male and two female toilets, cold water basins, a washing-up sink. (No showers, no hot water; however there is a leisure centre in Cheddar with a pool and private showering facilities.)

---

**Please return the completed form along with your payment (in cash please) by 21<sup>st</sup> March.**

**The site fee is £8 per person per night, payable in advance.** I shall send all of the payments that I collect straight to the campsite owner before the end of March as confirmation of our group booking. No refunds can be given.

---

Electric hook up is available in the lower field, and is paid for in cash at the time. Price to be confirmed.

Dogs are welcome; the cost is £2.50 per dog per night, payable in cash upon arrival at the site.

**Dogs must be kept on leads AT ALL TIMES** as per the 'site rules' - and clean up after them.

We shall buy logs and kindling between us for the evening campfires, so please bring a few quids in change for this.

Please note that **ONLY CASH** can be used at the campsite.

Bring your own loo roll - it's not a guaranteed thing there!

If you have any questions then please ask and I shall try to answer them, or find out for you :)

## AFTERTHOUGHT ADDITIONS!

There is no undercover shelter at the camp, so if the weather is not kind to us the drums won't be beating!

Sing, pray, dance and drum for dry sunny weather!

*(And bring a book just in case!)*

Include a torch in your kit.

Bring a seat that is suitable for drumming.

*(Ideally a firm seat with no arms.)*
